

Executive Director PC Ontario Fund

A Time for Change

There has never been a more critical time for change in the direction of our province. The PC Ontario Fund is the fundraising arm of the Ontario PC party and supports its important work, including election and bi-election readiness, policy development and outreach and communication programs. As the new Executive Director of the PC Ontario Fund, you'll have the rare and career defining opportunity to join an organization committed to a better tomorrow. Help raise the funds to make this vision a reality.

Reporting to an engaged Board of Directors and working with motivated volunteers, you will drive the annual campaign and continue to research new and innovative ways to increase revenue in support of the Ontario PC Party. Develop and deliver strategies to recognize and communicate with donors and to convert potential donors to regular donors. Increase fundraising targets while building the organization's fundraising capacity. You will direct and manage the organization in an efficient and effective manner while ensuring the PC Ontario Fund is in compliance with all laws and regulations. Represent and speak on behalf of the PC Ontario Fund at various fundraising and community events.

You are an exceptional leader and a manager for results. In your successful career, you have inspired teams and individuals to achieve exceptional goals. With a minimum of 5 years executive experience you have built a career based on success in fund development or a related field. You have effective business management and communication skills as well as outstanding interpersonal and relational abilities. Now, you will have the chance to apply your leadership vision in support of a new era for the Ontario PC Party.
